## *Pine Tree Princess Represents Maine in Orlando*

CoCo Clemens is twelve years old. At the age of five, she became Maine's very first Pine Tree Princess. Community service, cheerleading and competitive ski racing are some of her favorite things to do. She likes chocolate, shopping and being with her friends, just like every American girl. This August CoCo will represent Maine at the Miss America's Outstanding Teen Pageant held in Orlando, FL as Miss Maine's Outstanding Teen's little sister. She will participate in activities during competition week with the state titleholders at the national competition. During the week CoCo, along with the other princesses from around the country, will have exclusive photo opportunities with Miss America, Miss America's Outstanding Teen and state titleholders. The week long adventure will also include rehearsals, princess makeover, and pajama party.

Have a great time at the Miss America's Outstanding Teen Pageant, CoCo. We know you will represent the Pine Tree State proudly!
